

# Cash Collection and Delivery

Collect or deliver cash at your pre-agreed date/time and business location

## Key Benefits

### Convenient

Collect or deliver cash under pre-agreed date/time and location at your convenience.

### Secure

Reduce risks of cash handling and logistics with our security standards.

### Efficient

Free up time spent on managing physical cash.

### Greater Control

Easier to reconcile accounts with reports providing details of deposits and withdrawals.

## Additional Information

### Service Features

- Cash Collection: We will assign a service provider to collect your cash at your office or any pre-agreed business location and deliver it to the Bank for depositing into your account
- Cash Delivery: We will deduct funds from your account and prepare cash as instructed, then a service provider will deliver cash to your office or a pre-agreed business location.
- Safe delivery and secure pick-up.
- Secure process with standard facilities such as CCTV and insurance coverage.
