

QR Code Payments on EDC

Accept QR Code payments through your EDC

Key Benefits

Sales Opportunities

Increase your sales opportunities by giving your customers the convenience of paying with QR Code from any Thai mobile banking application.

Secure

Funds are deposited directly to your account and you can track them via EDC Report which will be provided through the Web portal (EDDS).

Better Business

Less need to handle cash and greater business efficiency.

Additional Information

With Mail Order Service you can accept credit card payments after receiving the card details through a website, telephone, Call Center, Fax, or email.

How to Apply

Apply easily at any Bangkok Bank branch.

- If the merchant is already using the EDC service, simply complete a QR Code Payment application form then submit it along with the required documents.
- If the merchant is not yet using the EDC service, simply complete an EDC application form and QR Code Payment application form then submit these along with the required documents.
