

Guarantee Issuing for Customs

Provide online guarantees for tax payments to enhance your production process and support your schedule for manufacturing and exporting goods.

Key Benefits

Convenient, Quick and Secure

Access the service 24/7, easily check the transaction status of payments and see reports anytime via the web-based service, protected by world-class security standards.

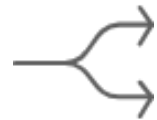

Reduced Workload

Less paperwork for you, with less need to visit the Government Procurement Department or the Bank.

Greater Business Efficiency

The Bank will automatically settle your guarantee reflecting the actual export volume. This means you won't need to wait for a whole batch of exports to be completed to make a settlement, and you'll be able to continually renew your guarantee.

Flexible

Set your preferred conditions and amount for transaction approvals. You can provide up to three Bangkok Bank savings accounts from which fees will be deducted.

Other Useful Information

Service Details

Guarantee Issuing for Customs is a service jointly developed by Bangkok Bank and the Customs Department to help entrepreneurs run their businesses smoothly and efficiently so they can conveniently and quickly arrange guarantees of import duty for the Customs Department via our website. Tax payments are guaranteed and imported raw materials can quickly pass through customs. The timely arrival of your goods will help you reduce errors and losses during the production process and support your schedule for manufacturing and exporting goods, while the quick receipt of payments will enhance your business liquidity. These major factors will help support your business success.

Who can use it?

- Importers who are approved for Customs Department privileges include: Section 19 bis, Manufacturing Bonded Warehouse, Investment Promotion and others further prescribed by the Customs Department
- Entrepreneurs who have received guarantees from the Bank.
