

# PromptPay Bulk Payment

Transfer funds using a Tax ID, Citizen ID, or mobile phone number, instead of an account number

## Key Benefits

### Efficient

Make your payments efficient, convenient and cost-effective using the PromptPay network.

### Easier to manage

Schedule your payments for any due date. Notify your business counterparts in advance via fax, email or SMS.

### Greater Control

Monitor your payments and receive reports online on a real-time basis.

## Additional Information

### Service Features

- Transfer funds not exceeding two million baht and the beneficiary will receive funds on the agreed date.
- The beneficiary registers their ID with bank accounts at any bank which is member of PromptPay.
- Send payment instructions via electronic channels i.e. Corporate iCash, BIZ iBanking.
- Make bulk payments with a single file.
- Send payment advice to your beneficiaries by fax, email or SMS.
- Keep track of all transfers via electronic reporting.
